**BENEFICE LETTER****Benefice Letter November 2025**

***Fear not, for I am with you; be not dismayed, for I am your God;
I will strengthen you, I will uphold you.
Isaiah 41:10***

Dear Friends,

I hope all is well.

In November the Church wears red, the colour for Kingdom Season, the season of 'remembering'. Across these weeks prior to Advent Sunday, we remember the 'Saints of the Church', on All Saints Day, the dearly departed on All Souls' Day, we remember the fallen from our communities on Remembrance Sunday and celebrate 'Christ the King' on the last Sunday of Church year.

We remember in different ways, sometimes alone and sometimes together. Remembering can be a highly emotional and powerful experience ~ as on Remembrance Sunday, when we gather as villages to hear again the narratives and names of the past and in the silence, we give thanks for duty, courage and sacrifice. Stapleford, however, remembers differently. It is one of a very few 'thankful villages' in this country where all those left to serve in the two world wars returned home.

Remembering confirms who we are and where we belong, which might explain why the contrasting 'narratives of memories' have become such contested perspectives in recent times. In the Scripture, however, there is but one single narrative of a faithful, steadfast and ever-loving God. A God who delivered on His promise to end the enslavement in Egypt, calling on the people to remember their salvation on Passover. In the sharing of the bread and wine, we remember the life, death, and resurrection of Christ as our way to new life, the narrative of our salvation.

As we gather during Kingdom Season, our thoughts arc from the personal and civic to the national, and even international. This is very much a community season and so I hope that you will be able to join us for All Saints Day, our All-Souls' Service and Remembrance Sunday, for in our time together, in the here and the now, we shall remember them.

Fear not, for I am with you; be not dismayed, for I am your God;
I will strengthen you; I will uphold you.
With every blessing

Watch out for small animals in the roads in the darker evenings
We all have problems and adjust our vision on the darker nights
So do animals, sometimes they are so startled that they stop and stare

Please give them time to stop and adjust their vision so that they can continue their journey before they move on

MONTHLY FIVE HOUR ART WORKSHOP

using the plant world as inspiration

If you would like the opportunity to immerse yourself in making art with like-minded people and the opportunity to make a finished piece or seriously progress your work please let me know.

I have loved coaching this workshop for over three years now and am always thrilled and delighted to see the progression made by the members in the group.

We meet in Langford Parish Hall on a Friday from 10.00 til 15.00 If you would like more information or to join us email me at junecluettt.artist@gmail.com

Our plan for a small shop, with space to sit and chat and with refreshments available, are forging ahead with widespread support from residents, the Parish Council, the Church and the Wylve Village Hall committee.

At the Wylve Village Fete 55 people pledged their support as Founder Members, subscribing for over 140 £25 shares. We are thrilled to see that so many locals are interested in what we are doing. Members will be able to nominate "directors" who will be responsible for the day to day running of the hub, and will be able to have their say at an annual meeting. If you would like to join and show your support there will be further opportunities to subscribe for shares at future village events.

We have notified Wiltshire County Council planning department of our intentions to situate the hub on the village-owned land near the Village Hall and playground, and their initial feedback has been positive. We are now working with a planning consultant to determine the best place to site what will be 2 portacabins with ramp access and some outside seating. We had hoped to have a drawing available to show you, but unfortunately it can't be ready in time – watch this space!!

While we wait to receive planning permission, we will be progressing several applications for funding, particularly with Wiltshire County Council, the Plunkett foundation and the National Lottery. We will also be looking for support from local businesses and are already very grateful to Sam at Wylve distilleries for his very generous donation.

In our next update we plan to have a drawing of the proposed siting of the hub and a timeline to share with you.

If you have any questions, or would like to offer support of any kind please contact the committee at info@wylvevalleycommunityhub.com

Introducing The Achieve Programme – Supporting Wiltshire's NEET Young People

The Achieve Programme is a 16-week initiative delivered by Wiltshire Council's Family and Community Learning team, designed to empower young people aged 16–25 who are Not in Education, Employment or Training (NEET) or at risk of becoming NEET. Through small-group learning and tailored support, the programme helps participants build confidence, develop essential life and employability skills, and work towards positive next steps in education, training or employment. Young people aged 16-25 will be able to gain two accredited certificates in Developing Resilience and Personal Development & Employability Skills, with practical units including digital skills, budgeting, CV writing, and interview preparation. Tutors provide both academic and pastoral support, creating a safe and encouraging environment for learners to grow and succeed. Referrals are being welcomed now for the next two cohorts which start in mid-November in Salisbury on Tuesdays and Trowbridge on Thursdays.

Please contact achieveprogram@wiltshire.gov.uk for more information or to make a referral.

STORY BY TOBY JONES
TOBY JONES HARRY LAWTEY LESLEY MANVILLE

MR. BURTON

How Richard Burton got his break

Mr. Burton tells the true story of the relationship between Port Talbot schoolmaster Philip Burton and a wild young schoolboy called Richard Jenkins, the son of a wayward drunk. Richard dreamed of becoming an actor, but his ambitions were in danger of being derailed by a combination of family trouble, the pressure of war, and his own lack of discipline. Mr. Burton recognized the raw talent in his pupil, becoming his tutor, strict taskmaster and eventually his adoptive father.

children's charity Hope and Homes for Children (reg. charity no. 1089490), based in Wilton. The price of the calendar remains the same as last year, £11.50. It comes with a sturdy mailing envelope and can be posted at the 'large letter' rate.

Copies are available locally from The Bell Inn at Wylve, Budgens at Codford, The Artist's Barn at the Ginger Piggery, Heytesbury Stores or Riverside Service Station in Stapleford. You can also order online at www.chrislockphotography.co.uk or from the online shop at www.hopeandhomes.org

Last year, combined sales of the 2025 Wylve and Nadder Valley Calendars raised £6,340, with all of this money going to support the charity's overseas programmes in Eastern Europe, Southern and East Africa and South Asia. Hope and Homes for Children remains committed to the belief that every child deserves the love and belonging of a safe family home, never the abuse and neglect suffered in orphanages. By working with families, communities, local authorities and governments, the charity has helped move thousands of children out of orphanages and back to family. 2026 Wylve Valley Calendar
