

BENEFICE LETTER

Re-creation and the changing seasons of life

I will give you a new heart, and a new spirit I will put within you. (Ezekiel 36:26)

September sees the start of Creation Season in the Anglican Church. I've often thought that maybe Springtime would be more suitable for celebrating God's creation - Spring after all is the season of growth, of re-creation. So why choose September?

September is the month of seasonal transition from Summer to Autumn. The Equinox (from Latin *aequus* 'equal' and *nox* 'night') is the time of year when night and day are of almost equal length. It occurs on the 23rd this year, and marks the first day of autumn. Nature is on a threshold, leaving behind new growth and looking forward to lying dormant. Many plants are dying back, leaves are turning and starting to fall, and land is being prepared for next year's crops. What with that and the gradually shortening days, it feels more like an ending than a beginning. But celebrating Creationtide at this time serves to remind us that endings lead to new beginnings.

Seasons in nature are cyclical - no season can last for ever, but it will return - life will be recreated. Autumn is also closely related to life's changing seasons, our journey from young to old. Each of life's seasons has its high and low points, but just as the natural world moves on, so do we, embracing the next phase. We may miss our childhood innocence, yet revel through our teens and twenties in a newfound confidence. Later, the freedoms of youth are missed once we become parents and need to focus on bringing up a family. But once the family nest is empty, we rediscover life's freedoms and opportunities. The phases of life are like the seasons - not endings, but opportunities for change, rest and renewal. For seasons are only seasons, they are not permanent. If we feel low as the light and warmth of summer recede, we take comfort from knowing it will return. Perhaps we can apply that to other difficult times, our seasons of anxiety that will ultimately recede, allowing us to rediscover serenity. However, it may require time, and another thing that nature teaches us is the need for patience. "Be patient..... The farmer waits for the precious crop from the earth, being patient with it until it receives the early and the late rains" , we are told in James 5:7-8. Some things can't be hurried, however much we may wish that they could. That holds especially true for healing (be it physical or of the mind), for mending relationships, and for finding joy after grief.

We can't stop the seasons, any more than we can stop growing old, but just as the dying of the leaves in autumn brings forth a magnificent colour display, so too will life come up with uplifting surprises, sometimes when we least expect them.

"If anyone is in Christ, he is a new creation; the old has gone, the new has come!" (2 Cor. 5:17).

Curious about Faith?

We all have questions about faith, life and what it's all about at times in our lives. Alpha is a series of sessions exploring the basics of the Christian faith and it runs all around the globe - including the Wylde and Till Valley!

You are invited to join a Midweek Alpha Course and an opportunity to discuss the things that really matter. Watching a video on a key topic, leads into a relaxed and open conversation which will be stimulating and thought provoking. No questions or comments off limits. You may never have done anything like this before; you may have been attending church for years; you may have thought it was all obvious but want to explore and discuss ideas. Wherever you are on this journey of faith, you will learn something new.

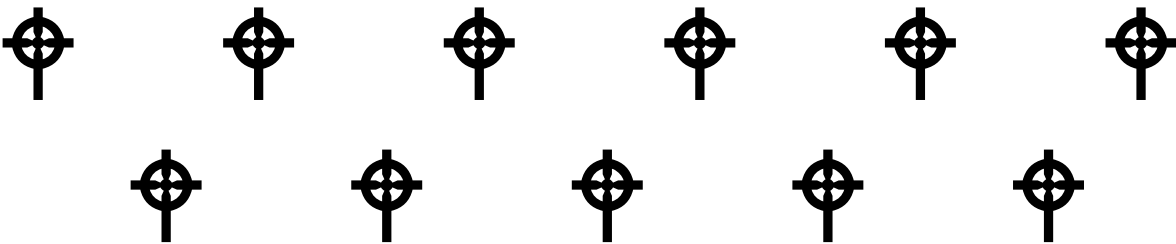

Wherever you live in the Benefice or beyond, you are welcome.

Starting TUESDAY September 12th at 7.30 at Tehran, Warminster Road, South Newton.

Lay Pastoral Assistants (LPAs) are trained and authorised by the church to visit and or offer pastoral care to anyone in our parishes. Whether you are sick, recently bereaved, new to the area, or know someone who might like a visit from the church community, please contact the clergy (details on the Benefice services page) and we will ask one of our wonderful LPAs to get in touch.

Thank you.

Renovations at All Saints, Steeple Langford Church

Dear Friends,

We explained back in the spring that All Saints' church requires some significant and necessary restoration work to the lower walls of the building. This will involve the removal of old and blistering cement plaster in the nave, ringing chamber and north isle and be replaced by lime plaster and painted. In addition, the pews will have to be moved to enable access to the lower walls.

The Church Council has obtained a Faculty (church planning consent) from the Diocesan and the work will be undertaken by Foyles. As a consequence, for health and safety reasons the church will be closed between 1st September and 1st December inclusive.

Second Sunday services (a Eucharist) may be held in other churches details of which will be publicised. The 4th Sunday service will be held in the Village Hall. In addition, we will place further information as the work progresses on the church door and noticeboards.

This work is important and will cost a considerable amount. A proportion of the work will be funded though the Jane Lemon bequest to the church, part of which enabled the lovely restoration of the East end. However, the bulk of the funding for this work will come from our own church funds. In the UK, local churches receive absolutely no funding from Government sources for their day-to-day life. All the money spent on maintaining these beautiful buildings and the graveyard, for our worship and for projects such work as this, comes from the generosity of our congregation and the local community for which we are very grateful. If you have any questions do, please come and have a chat with us.

    **AUCTION OF PROMISES**    

Wylle Church and Wylle Village Hall have agreed to collaborate in a joint fundraising event - an Auction of Promises to be held on Saturday 9th December 2023 in the Village Hall. There will be a meal. Richard Petty has agreed to be the Auctioneer. What we need are about 70 worthwhile Promises for him to auction.

That's where you can help. Please put your thinking caps on and come up with loads of brilliant ideas of Promises that can be auctioned, such as cake icing, hampers, boxes of wine, 3 course meal with wine for 4/6 (including transport?), hobby lessons, e.g. throwing a pot, sports lessons, dog walking, garden help, decorating, an MOT, discount vouchers at a local pubs, garages, etc, complementary tickets to shows and events, car lifts, home tuition, car wash/valeting, computer help, holiday accommodation, man with a van, language lessons, window cleaning, slave for a day, babysitting, pampering vouchers, ironing/housework - the list is endless. We are, of course, looking for Promises which will attract a lot of money. We already have Promises for a conducted tour of the House of Lords and a trip in a Vintage Bentley, so what can you come up with? And who do you know who can come up with other great Promises. Please use it let us know what you - and anyone you know - are prepared to do. And email us on: liddiard.cairparavel@btinternet.com or **telephone: 01985 248208** - And put the date in your diary!

JOIN OUR DYNAMIC TEAM

About 6 years ago we started bringing Movie Nights to Langford Parish Hall. A year or so later we added live events to our repertoire and re-branded as "Arts in the Langfords".

We now hold a movie night on the second Friday of every month, a live event in the hall three or four times a year and a major outside performance at the cricket club in the summer.

This is all managed by a small dynamic committee made up of enthusiastic people from the Langfords and Wyllye - not all of whom are on the Hall Committee.

What we need now is to add to our team with one or more individuals who would like to get involved in the planning, organising and marketing of our events - with a specific focus on marketing and communications. We especially recognise that we do not have all the skills necessary to take our messages to our potential audience using the latest online communication tools

If you feel you could help in any way - please don't be shy, get in touch with either Geoff Cluett at geoffcluett@gmail.com or on 07425 139860, or Jo Broad at jkbroad@gmail.com or on 07808 093760 to find out more.

How do you find lasting love in today's world? For documentary-maker and dating app addict Zoe (Lily James), swiping right has only delivered an endless stream of Mr. Wrongs, to her eccentric mother Cath's (Emma Thompson) dismay. For Zoe's childhood friend and neighbor Kaz (Shazad Latif), the answer is to follow his parents' example and opt for an arranged (or "assisted") marriage to a bright and beautiful bride from Pakistan. As Zoe films his hopeful journey from London to Lahore to marry a stranger, chosen by his parents, she begins to wonder if she might have something to learn from a profoundly different approach to finding love.
